

GLM Lasermeßtechnik GmbH – Data Protection & Privacy Policy

The operators of these sites take the protection of your personal data very seriously. We treat your personal data confidentially and according to data protection legislation and this privacy policy.

The use of our Web site is possible without entering personal data. As far as personal data (for example name, address or email addresses) are collected on our pages, this is, as far as possible, on a voluntary basis. This data is not passed to or shared with third parties without your explicit consent.

We would like to point out that data transmission on the Internet (e.g., when communicating by email) may be subject to security gaps. A complete protection of data against access by third parties is not possible.

Privacy Policy for the Use of Google Analytics

This website uses features of the Google Analytics Web analysis service. The provider of this service is the company:
Google Inc.

1600 Amphitheatre Parkway
Mountain View, CA 94043

USA Google Analytics uses so-called „cookies.“ These are text files that are stored on your computer and enable the analysis of your use of the website. The information generated by the cookie about your use of this Web site are usually transmitted to a Google server in the United States and is stored there.

If IP anonymization is enabled on this Web site, your IP address however is shortened first by Google within Member States of the European Union or in other states party to the agreement beyond the European economic area. Only in exceptional cases is the full IP address transmitted to a Google server in the United States and shortened there. On behalf of the operator of this website, Google will use this information to evaluate your use of the website, to compile reports about the website activities, and to provide further services related to website activity and Internet usage for the website operator. The IP address transferred by your browser within the scope of Google Analytics is not merged or compiled with other data from Google.

You can prevent the storage of cookies by adjusting your browser software; however, we would like to point out that you may then not fully use all functions and features of this website. In addition, you can prevent the collection of data generated by the cookie and related to your use of the website (including your IP address) as well as the processing of this data by Google by downloading and installing the browser plug-in available at the following link: <http://tools.google.com/dlpage/gaoptout?hl=de>

Privacy Policy for Using Xing

Our Web site uses features of the XING network. Provider is the company XING AG, Dammtorstrasse 29-32, 20354 Hamburg, Germany. Each time one of our pages containing XING functions is loaded, a connection with the XING servers is established. Personal data is not stored to the best of our knowledge. In particular, IP addresses are not saved or stored and usage behavior is not evaluated.

Objection to promotional emails

The use of contact data published within the framework of the imprint/legal disclaimer obligation for the sending of not expressly requested advertisement and information materials is hereby objected to. The site operators expressly reserve the right to take legal steps in case of unsolicited promotional information such as Spam mail.

Information, deletion, blocking

You have the right to free information about your stored personal data at any time. This includes information about source and origin and recipient and the purpose of the data processing. You also have the right to demand correction, blocking or deletion of such data. You can contact us at the address listed in the imprint/legal disclaimer at any time if you have further questions on the subject of personal data or our privacy policy.

Server log files

The provider of the pages automatically collects and stores information in so-called server log files, which your browser automatically sends to us. These are:

- Browser type / browser version
- Operating system used
- Referrer URL
- Host name of the accessing computer
- Time of the server request

This data cannot be matched with specific persons. Merging this data with other data sources is not carried out. We reserve the right to review this data should we become aware of tangible evidence of illegal use.

Cookies

The Internet pages use so-called cookies. Cookies do not harm your computer and contain no viruses. Cookies serve to make our offers more user-friendly, more effective and more secure. Cookies are small text files that are stored on your computer and that your browser stores.

Most of the cookies used by us are so-called „session cookies.“ They are automatically deleted after your visit. Other cookies remain stored on your device until you delete them. These cookies enable us to recognize your browser when you next visit.

You can adjust the settings of your browser so that you are informed of the setting of cookies, allow cookies only in individual cases, exclude them for certain cases, generally accept cookies, and enable automatic deletion of cookies when you close the browser. When disabling cookies, the functionality of this website may be restricted.

Contact form

If you send us a request via our contact form, your data from the contact form including contact information you provide will be stored by us for the purpose of processing the request and for any follow-up questions. We do not share this data without your consent.
